

Brighton's Business and Community Leaders

Since 1945, the Brighton Board of Trade has been composed of local businesses working in concert with the surrounding community, thereby preserving and enhancing the local neighborhood.

Over the years, the Brighton Board of Trade has taken a stand on issues of concern to the business owners and residents of Brighton.

Additionally, the Brighton Board of Trade provides scholarships to local youth, organizes the holiday lights throughout the business districts, and sponsors local youth sports and other important neighborhood events and non-profit organizations.

With your sustained commitment, we can continue to provide this service to our community. We look forward to working with you.
